Good Morning Optimist

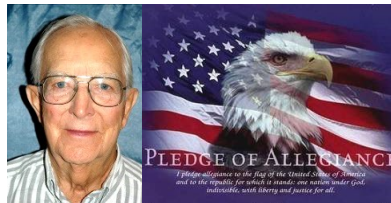

It is snowing and still dark as **Nick Newey** and **Jeff Johnston** greet us this autumn morning.

First Bell

Prez Jon Wachter rings the bell promptly at 7:00 a.m. Jon has begun a great tradition to start our meetings and asks us to greet our fellow members enthusiastically; this starts the meeting with positive feelings.

Invocation & Pledge

Bob Coulson reads the invocation this morning in remembrance of **Harry Johnson**, seen at right, a valued member of our club who we all remember with a smile, and World War II veteran. He then leads us in the *Pledge of Allegiance*.

Welcome Back

No guests this morning but we have members in attendance this morning who we have not seen in a while including **Doug Morton**. Additionally, **Cy Regan** is back from his trip and is ready to sell grocery cards to anyone needing to buy food from King Soopers or Safeway. President Jon reads a congratulatory card sent from **Windsor Gardens Optimist Club**, congratulating OCMS for the club's recent recognition as a club of distinction from OI.

Board Meeting

President Jon mentions that the first Board meeting of his administration was held this past Wednesday, October 16th. The Board was able to pass a balanced budget for the New Year. New member **Bob Fries**' application was approved. **President Jon** asks **Bob Coulson** to address the members. Bob talks about a new program he has introduced to help youth. The *Congressional Youth Award* whose mission is to help young people set and achieve per-

sonally challenging goals. The program involves setting goals in four program areas; Volunteer Public Service, Personal Development, Physical Fitness, and Expedition/Exploration. Bob is looking for members interested in helping start this program and starts by passing around the sign-up sheet.

Christmas Tree Lot Update: **Joe Marci** gives an update on the location of the Tree Lot for this year. Kmart has a companywide policy that prohibits the use of its parking lot for any locations that are closed; therefore, we will not be using our normal space for this year. Possible locations for this year include using the space in front of the new Walmart Food Market located across from the old location on S. Monaco Parkway, or just south of the old lot near or behind the Car Wash at 2200 S Monaco Parkway. **Steve Kady** reports he is confident he can again secure the large lighted sign we used last year to alert drivers of the Tree Lot. Joe will report when details are confirmed.

So mark your calendars. More details will be coming.

First, on November 1, Denver Art Society at 734 Santa Fe Blvd, will host an evening of video, speakers, art unveiling and more which starts at 6 p.m. That same evening from 6-9 p.m., Colorado Heart Gallery Annual Opening at 878 Santa Fe Drive will take place. An event to help honor and celebrate all those who are a part of bringing kids and families together.

Reminder About Announcements: Paul Bernard reminded us to make quick announcements during our regular meetings when we have speakers. Please keep your notes short and concise to give our speakers the time they need to make their presentations. Our speakers have made an effort to get up early and come here to make to talk with us, so please give them the courtesy of our time and attention. Keep the jokes and frivolity for Camaraderie Day – like today – to entertain us. Thanks much!

MSOC Mentoring Program: Ron Cisco talks about the mentor program and announces the pairing of new members with a more experienced person to help them. This is a great program to help answer questions, and get new members involved in the clubs' activities.

From OI website here are some ideas to enhance the mentoring experience:

- ◇ Prepare to meet New Member
- ◇ Explain your role as mentor
- ◇ Meet and introduce to others before meeting
- ◇ Sit with New Member during meeting and be resource person
- ◇ Obtain best time to call to arrange First Mentoring Session
- ◇ Get to know each other: Discuss family, work responsibilities, hobbies and other community service experience.
- ◇ Get a sense of where the individual might be best suited in the Club's activities.
- ◇ Go over items in the New Member Packet and add following information:
 - * Current copy of Club Newsletters
 - * Club By-Laws and Policies
 - * Club Member Roster or Directory
- ◇ Encourage New Member to ask questions, give sug-

gestions and participate in all Club activities.

- ◇ Arrange to meet either before or after each Club meeting to update the Checklists and exchange information.
- ◇ Meet New Member at all meetings and regular Club events
- ◇ Introduce New Member to specific Club chairpersons when interest is expressed
- ◇ Be looking for new ideas and suggestions from New Member
- ◇ Encourage to attend 2 Club events, outside of regular meetings, during the 8 week program (e.g. Board meeting, Club project, Club fundraiser, Zone meeting)
- ◇ Always end session with expectation of meeting at next Club function or event
- ◇ New Member to choose committee or project to serve (if not done so already)
- ◇ Encourage New Member to call on you as a source of information

Do we have a drawing?

Yes and there is \$40 in the pot with a slightly less than full deck to choose from. Lucky ticket holders this morning include **Terry Schroyer**, **Jack Kleinheksel** (again?) and **George Buzick** but no winning card is drawn.

The sun is shining, in parts of the sky, so go out and spread the message of Optimism.

To be so strong that nothing can disturb your peace of mind.
 To talk health, happiness and prosperity to every person you meet.
 To make all your friends feel that there is something in them.
 To look at the sunny side of everything and make your optimism come true.
 To think only of the best, to work only for the best, and to expect only the best.
