### Good Morning Optimist

On this day in 1953, workers at a Chevrolet plant in Flint, Michigan, assemble the first Corvette, a two-seater sports car that would become an American icon.

The first completed production car rolled off the assembly line two days later, one of

just 300 Corvettes made that year. See <http://www.history.com/this-day-in-history>.

And on this day at MSOC, **Jeff Johnston** greeted us. It is a bright (and finally dry) Friday morning.

### Opening Bell, Invocation & Pledge

Vice-President **Don Iley** presided over the meeting for President **John Oss** and called on **Jack Kleinheksel** to deliver the invocation. Jack asked, on our behalf, for guidance in improving ourselves saying that time criticizing others is only time wasted and that progress is only made when we spend time improving ourselves. Jack then led us in the *Pledge of Allegiance*.

### Guests

We welcomed guests Don Roth introduced by **Leo Hagele** and one time member Paul Wood was introduced by **John Young**. Welcome guys! We invite you back again and we are sure you would enjoy being a member of our club.

### It Should Be Noted

In these 39 years, soon to be 40, Monaco South has reached the **Membership Top Ten** within all of OI. We need to stay there! Bring in a new member! See OI president, Ken Garner's message by clicking the [Top 15 Clubs by Membership](#).

### Dime A Day

VP **Don Iley** announced that we still have several Dime-A-Day pins that have not found homes. If you are a Dime-A-Day donor and you have not yet received your pin, you should see **Greg Young**. He might give you one of the pins he has.

The Dime-A-Day level is reached by a contribution of \$36.50 to the Foundation within one Optimist Year, and is recognized by the presentation of a pin.

### Keep In Your Thoughts

**Donlie Smith** reported that long time member, **Pat Sullivan**, has been diagnosed with cancer and is undergoing chemo. Give Pat and Mary Jean encouragement, neither can drive and Pat is very weak. A get well card was passed around for members to sign and give him some messages of encouragement.

**Robert Duvall** shared that Karen Pasternak wanted to let us know that **Fred Pasternak's** pathology report has determined that he has bladder cancer; it is a very invasive, progressive and fast moving cancer. They will be seeing the Oncologist to discuss a treatment plan. Fred is weak and tired, but his appetite has not changed, which is a good thing. Karen asks that call her at 303-758-3754 before visiting.

Greetings and Well Wishes can be sent to both Pat and Fred to their addresses in the club directory.

## Announcements

**Club Bylaws Change:** The Board of Directors of the Optimist Club of Monaco South is proposing a change to the way in which our officers and board members are elected. This requires changes to Article VIII of the Club Bylaws.

Essentially, the proposed amendments provide that the nominating process will start one month earlier than the present April 1 start date. The nominating Committee will identify those who are willing to run and will publish their names in *GUMS* no later than the beginning of April. After that time, any other member can be nominated for office or can nominate himself. However, all nominations must be made no later than the Friday meeting the week before the election meeting. No nominations will be permitted from the floor during the election itself.

The above is a general summary of the amendments. The official wording of the current Article VIII and the proposed Article VIII is attached to the *GUMS* distribution email. Please read and compare them.

The proposed amendments were sent to Optimist International for its approval, as is required. We have received OI's approval, so the next step is a vote of the membership. This will occur at the July 17 meeting. If 2/3 of the members attending approve, the amendments will become part of our Bylaws.

The Board wishes to thank **Wyatt McCallie** for his invaluable service in helping to draft these amendments.

**Junior Golf Tournaments:** **Joe Marci** reported that our Junior Golf Tournaments have been completed and that he has received 20 of the registrations for the International Tournament to be played in July in Florida. He indicated that he would be contacting the player's that have not yet registered, as those are due at International today. Joe thanked

Ron Cisco, Bob Meyer, & Joe Marci.

all of the people who worked on, financially donated to, or sponsored the local tournaments. Without the substantial financial support, these tournaments would not be possible. Joe also noted that he along with **Ron Cisco** and **Bob Meyer**, got their picture in "The Optimist" magazine, summer issue. Autographs from these MSOC stars can be had for a small donation to Jr. Golf.

**Classic Car Optimist Club:** Governor Elect **Curt Merrill** announced that he attended the open house that the Classic Car Optimist Club hosted at their new clubhouse, even though it was cancelled due to weather. He says the clubhouse is awesome. He saw an original Ed Roth *Rat Fink* car and they even had an old time phone booth. Curt says everyone should get out there sometime. It is located in the southwest area near C-470 and Santa Fe. Talk with

**Phil Perington** or **Curt** to get directions and to learn the rescheduled date for the official opening.

**MS-150 Bike Ride:** **Michael Chavez** announced all is set for the MS-150 Bike Ride. We will be manning the rest stop and lunch pavilion on Sunday morning. Volunteers should report for duty at 7:00 a.m. at Trail Ridge Middle School located at 1000 Button Rock Drive in Longmont. *Editor: Of course, if you are just finding out about this now, you have already missed it. We will give an event report at next Friday's membership meeting.*

**District Convention:** Do not forget that the District Convention is coming up in August. The good news is, if this is the first that you have heard about this, you have not missed it yet. It will be held in Glenwood Springs at the Hotel Colorado on August 27-30. You can find a registration form on line at the Colorado/Wyoming District website, [CLICK HERE](#). Registrations and fee of \$25.00 is due by July 27<sup>th</sup> and hotel reservation deadline is July 27<sup>th</sup>.

**2015-2016 Officer Induction:** Not to be out done, **Jon Wachter** announced that the Monaco South club officer induction dinner, otherwise known as "Celebrate Optimism Dinner" would be held on Saturday, September 19<sup>th</sup>. It will be held at Piccolo's Restaurant. The maximum number of attendees is 80 so please sign up early. *Editor: I did not catch the cost but estimates that it is below \$100 per person.*

## Drawing

Some of the drawing winners this morning were **Carl Brown**, **Greg Young**, **Lucky Jack Kleinheksel**, **Curt Merrill**, and **John Walsh**. *Editor: I only say some because I missed some names while I was looking for my tickets. If I missed your name: my apologies. Oh, by the way, Judge **Greg Eley** called about a dozen names for the name badge draw at the cards before calling out **Ron Cisco**, the last big pot winner, but alas, no such luck this time.*

## Closing Bell

Have a good week and see you next Friday.

## Fiduciary Standards for Financial Advisors

Presented by Ben Moultrie

**Paul Bernard** introduced **Ben Moultrie** as our guest speaker this morning. Ben is a retired financial advisor and wanted to discuss the new rules under consideration by the Department of Labor regarding the conflicting interest issue for professional advisors managing ERISA qualified retirement plans, SB 80. The current rule states that a financial advisor only has to meet the "suitability" standard of practice when putting an investment portfolio together for qualified retirement plans. This means he only has to present investment products that are "suitable" to the investor's program goals and risk tolerances.

and accepted by the investor up front. This means that transactions will have to be documented much more as the burden of showing the fiduciary standard is being met is shifted to the advisor. In short, it means more "red tape" for these retirement investment programs. It also means more government oversight will be required.

Translation: more costs. A question and answer session followed and it became apparent that these rules are rather nebulous and may lead to more disputes rather than more protection for the investor. This was an interesting and certainly one of the more lively presentations made this year.

Thank you Ben, for some very useful information. Members may want to do more research on these controversial rules, as the administration would like to get these rules finalized and in place prior to the end of its term. For further information Click:

**THE OPTIMIST CREED — Promise Yourself . . .**

To be so strong that nothing can disturb your peace of mind.  
 To talk health, happiness and prosperity to every person you meet.  
 To make all your friends feel that there is something in them.  
 To look at the sunny side of everything and make your optimism come true.  
 To think only of the best, to work only for the best, and to expect only the best.  
 To be just as enthusiastic about the success of others as you are about your own.  
 To forget the mistakes of the past and press on to the greater achievements of the future.  
 To wear a cheerful countenance at all times and give every living creature you meet a smile.  
 To give so much time to the improvement of yourself that you have no time to criticize others.  
 To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
