# UTTERINGS OF MONACO -- SOUTH --

The Optimist Club of Monaco South - Denver, Colorado

Colo.-Wyo. District  
Volume 4, Number 11

Denver, Colorado  
September 13, 1985

Greg Hurd gave the invocation and led us in the Pledge of Allegiance this morning.

## Guests

Beautiful surprise -- a guest of Oscar Sorensen would you believe and a former member of Monaco South, Jerry Attebery, was with us today. Before the meeting was over Jerry submitted an application to rejoin the Club. That is great and it's wonderful to have you back Jerry. Also, Larry Stevenson introduced his guest, Jim Pittaway, from far away Canada. Hopefully Jim will like Denver, stay and visit us again.

## Board Meeting

President Bob discussed last Tuesday's Board meeting briefly and noted that the Board approved six new members to the Club. They are Len Vest, Jim Livermore, Randy Hampton, Dan Hugo, Al Bunniff and Jim Dittman. This brings our membership to the point where we can qualify for Honor Club again this year.

## Champ Camp

Bill Litchfield outlined this activity briefly. Details can be obtained from Bill. In addition, Bill told us about Billy's benefit bicycle ride of 110 miles. Pledges for that event are due.

## Lt. Governor

Lt. Gov. John Young, gave us a quick status report on Zone activities including the decision to again schedule the Christmas caroling event with the Excelsior School. The same clubs plan to participate that were involved last year.

## New Member Induction

President Bob formally inducted new members Len Vest and Randy Hampton into the Club. Both were "pinned" by their sponsor, President Elect Tom Mauro.

## Easter Seal Benefit

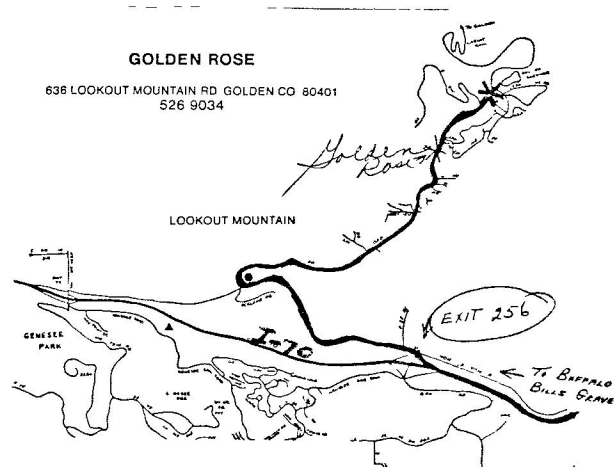

Sunday, September 15, is when the big ball game does it -- the benefit for Easter Seals. The sign-up sheet has plenty of names and Pat Bush said Hyline Park in Aurora isn't hard to find.

## Membership

Pat Bush said its great to see all the new members. The 12 Board authorized prizes are all claimed except one. Will you be the last one to win a prize for bringing in a new member? Join Pat and the Club next Friday and see.

## Installation Banquet

It's getting closer -- Friday night September 27. The place is Golden Rose Restaurant (formerly Sams) atop Lookout Mountain. The occasion is to install our officers for next year - that's Tom and his boys. The cost will be the same as last year, \$15.00/person. That includes a Bill Walters catered dinner and a fun filled adjustment period before dinner. And of course a great time between 6:30 and 9:30 P.M. Sign up and be there to support the Club and officers.

## Golf and More Golf

Doug Gill was busy getting last minute sign-ups in for the "Friday the 13th" golf tournament at Fitzsimmons Army Hospital. This month he went to the Army, next month he'll go to the Air Force. On October 14, Doug has an all new tournament set up for the Air Force Academy golf course. A sign-up sheet will be around for that starting next week. Now Doug when will you get to the Navy and

Marines? They must have golf courses somewhere.

Halloween

in the Goblins Calling Program this year. Volunteers will be needed - lots and lots of volunteers. All the details will be announced in the next few weeks so look for them on Friday mornings and be sure to sign up.

#### Little League

Bill Swigert, the other Vice President Elect, summarized the current status of the Arapahoe Little League Ball Field. He said everything is moving ahead well but there is still much work to do. Some of this is scheduled to be done on Saturday, September 21. Volunteers are needed. If you can work for awhile on that day sign up or see Bill or do both. That way you'll be sure to get there and help.

#### Program

Bill Litchfield introduced Karin Kudebeh who told us a good deal about the Better Air Campaign. She said last year's campaign was a successful start in reducing high levels of carbon monoxide air pollution in the Denver metropolitan area during the peak winter pollution season. But more progress is needed if we are to achieve our goal of reduction. This year the campaign will run from November 15 through January 15. The Monaco South Optimists helped in this effort last year and plan to assist again this year. Thanks Karin for being with us. We'll be around with Better Air!
